REPORT ON GUIDANCE ON CAREER COUNSELLING

INTRODUCTION :

In order to help B.Tech students with career counselling, Dr. Y. Venkat held a session at GIET Engineering College. On student career counselling was the main topic of conversation. As it will directly affect both a person's personal and professional life, choosing a new career is among the most crucial activities for a person. Young minds are particularly impressionable in their early years because they lack the knowledge and life experience needed to make judgements.

People who wish to explore choices and those who want to resolve disputes both require career counselling. They provide students and job seekers with knowledge, information, and counselling to help them determine the amount of education they will need to realise their professional aspirations.

OUTCOMES:

1. Skill assessment
2. Gain more knowledge
3. Setting goals.
4. Achieving desired goals
5. Increase social connections

Resource Person:

Dr. Y. Venkat, M.Tech, Ph.D
Professor, Dept of CSE,
